One additional day has been built into the calendar to be used by the Superintendent for a necessary closing on April 13. If this imbedded day is not used, school will not be in session for students and staff on April 13. If the emergency day is used, school will be in session for students and staff on Monday, April 13. If a second emergency closing day is needed, the number of student days will be reduced to 182.

Teachers Professional Development (PD): *October 1 will be a PD day. The teachers' last day will be either June 22, 23 or 24, depending on the amount of days used for emergency school closings.

If deemed necessary by unexpected closings, the April vacation may be abbreviated in part or in whole. Therefore, plans which cannot be changed should not be made for the April vacation. The Superintendent of Schools reserves the right to make adjustment to the school's time schedule when it is deemed necessary.
