Access, Summit and Little Tots**

## Come and get it!!!

Beginning Friday, October 4, 2019 the students at the NVC site will be having an "Ice Cream and Snack Social" every Friday afternoon.

Students will be selling ice cream and other frozen products: ice pops, cups, sandwiches, etc. The selection will vary according to availability and demand, but we hope to provide the students with several choices. We will also be offering Gummies, Rice Crispy treats, Lays potato chips, and beverages (this includes some gluten-free products). We will make every effort to vary the snacks throughout the school year.

If you would like your child to participate, simply send in \$1.00 with your child on Fridays. (Only Cash will be accepted.)

The "Ice Cream and Snack Social" is also a great learning opportunity for the students. They can bring their money in their wallets, and experience paying for their treats in a safe, controlled environment.

This will be a great time for all. What better way to end the week?

All proceeds will go to the: PTO P&V, serving Valley, T.I.P., Access, Summit and Little Tots Programs
